Dear Business owner / operator/ manager,

Are you happy with your current Accountant & Bookkeeping Service?

- Do your accounts tell you where you have been?
- Do your accounts help you plan for the future?
- Are you spending your precious out of work hours with your family & friends and NOT rummaging through paperwork?

Can you answer "YES" to all of these questions?

If not: WHY?

- Are you happy with the accuracy?
- Happy with the cost?
- Do you understand the reports & explanations given?
- Can you always get someone on the phone when you need them?
- Happy with the time it takes to get answers?

If you answered "NO" to any of these questions.
